

Notification of Authorization under the Degree-Granting Institutions Act

Date posted: October 6, 2004

Institution: Apollo College

Nature of Request: Authorization to offer an additional degree program at the Spokane campus and advertise and recruit in Washington State for the offering of the same program at the Portland, Oregon campus

Program to be Offered: Associate of Occupational Science in Medical Laboratory Technician

Mode of Delivery: In resident only

Authorized Program currently offered: Associate of Occupational Science in Medical Radiography

Background:

Apollo College has been authorized to offer degree programs in the state of Washington since February 24, 2004. They are accredited by the Accrediting Bureau of Health Education Schools and have campuses in Arizona, New Mexico, Oregon and Washington.

Nature of the Review:

Prior to granting authorization to offer new degree programs in Washington State, the Higher Education Coordinating Board/Degree Authorization reviews elements such as program outcomes, course requirements, method of course delivery, faculty credentials, and student services.

The program to be offered by Apollo College appears to meet the requirements of the Degree-Granting Institutions Act.

Information on the additional program can be found on the college's website at: [Associate of Occupational Science in Medical Laboratory Technician](#).

Timeline:

The HECB plans to make a decision on this application by October 20, 2004.

Any individuals with knowledge that may indicate the institution and/or the program does not meet the authorization requirements of WAC 250-61 are requested to submit comments to: DAA@hecb.wa.gov.

If you would like to know more about the current law and regulations that govern the program, the statute is RCW 28B.85 and the regulation is WAC 250-61. They can both be found at the following link: [Statutes and Regulations](#).
